

STATEMENT OF ACCEPTANCE

This document was prepared according to the 1994-96 Watershed Analysis Guidelines by the following team of specialists:

<u>Name</u>	<u>Team Assignment</u>	<u>Signature</u>
Jack Zwiesler	Team Leader, Facilitator	_____
Dan Howells	Vegetation, Botany, Special Forest Products	_____
Tom Jackson	GIS, Data Management	_____
Greg Miller	Wildlife, Fisheries	_____
Jerry Richeson	Soils, Hydrology, Geomorphology	_____
Joe Williams	Social, Recreation, Historical	_____

Based upon the information contained within this watershed analysis including the data gaps and monitoring needs, it is my determination that the analysis contains sufficient information and adequate logic for my use in making decisions on project implementation based upon the requirements in the Record of Decision for the Final Supplemental EIS on Management of Habitat for Late-Successional and Old-Growth Species Within The Range of the Northern Spotted Owl.

Accepted By :

Wayne Elliott, Coast Range Area Manager Date: _____

Terry Hueth, South Valley Area Manager Date: _____

LIST OF PREPARERS

CORE TEAM MEMBERS:

Jack Zwiesler	Team Leader, Facilitator
Wayne Elliott	Area Manager, Coast Range RA
Dan Howells	Vegetation, Botanical Resources, Special Forest Products
Tom Jackson	GIS, Data Management
Greg Miller	Wildlife, Fisheries
Jerry Richeson	Soils, Hydrology, Geomorphology
Joe Williams	Social, Recreation, Historical

SUPPORT TEAM MEMBERS:

Neil Armantrout	Fisheries
Alison Center	T&E Species
Scott Brayton	Writer/Editor
Jerry Chrostek	Special Habitats
Dan Crannell	T&E Species
Doug Donoho	Special Habitats, Mapping
Norm Gartley	Leadership Team Liaison
Chris Haubrich	GIS
Floyd Lord	Botany, Noxious Weeds
Cheshire Mayrsohn	Botany, T&E Plants and Surveys
Kathy Pendergrass	Botany, T&E Plants and Surveys
Jeanne Remiro	Roads on Private Lands
Kim Reviea	Historical Vegetation data
Jay Ruegger	GIS coordination
Alan Schloss	Hydrology
Mike Southard	Historian
Steve Steiner	Hydrology
Jim Thrailkill	Vegetation classification
Kris Ward	Geology
Mary Ann Webber	Wildlife
Gary Wilkinson	GIS
Barry Williams	Water Quality and Soils
Nancy Wogan	Botany coordination
